

Explore tools to elevate education

Help your institution collaborate easily,
streamline instruction, and keep the learning
environment secure.

“

Technology alone will
not improve education,
but it can be a powerful
part of the solution.”

Sundar Pichai, CEO, Google

Use flexible, secure tools
with [Education
Fundamentals*](#), or add
the enhanced capabilities
you need with [Education
Standard](#), the [Teaching
and Learning Upgrade](#),
or [Education Plus](#).

Google Workspace for Education Fundamentals

Provide a flexible and
secure foundation for
learning, collaboration,
and communication

Highlights

- Collaborate in real time with Docs, Sheets, Slides, Sites, and digital whiteboards
- Help educators save time managing their classes with Classroom and Assignments
- Connect with Google Meet, Chat, and Gmail
- Enhance collaboration with embedded video calls in Docs, Sheets, and Slides
- Protect Gmail and Drive with data loss prevention
- Adhere to rigorous compliance standards like FERPA, COPPA, and GDPR

Storage

100 TB of pooled cloud storage shared by your organization

Available at no charge

For [qualifying institutions](#)

Education Standard

Education Standard provides a more secure learning environment with proactive security and analytics tools. This edition builds on the capabilities of Education Fundamentals.

Highlights

- Prevent, detect, and remediate threats with the Security Center – including the dashboards, health page, and investigation tool
- Manage devices and apps centrally to perform audits and enforce rules
- Gain more insights with Gmail log and Classroom log export for analysis in BigQuery
- Track usage across your domain with audit logs for Drive, devices, LDAP, and more

Storage

Same storage as Education Fundamentals

\$3 / student / year

For every four student licenses, get one staff license at no additional charge

Teaching and Learning Upgrade

The Teaching and Learning Upgrade enhances educators' instructional impact with expanded video communication, enriched class experiences, and integrated tools for classroom efficiency. This edition builds on the capabilities of Education Fundamentals or Education Standard.

Highlights

- Connect with up to 250 participants or live stream with up to 10,000 viewers with Google Meet
- Live stream meetings to even larger audiences with YouTube
- Engage students with breakout rooms, attendance tracking, interactive Q&As, polls, live-translated captions, automatic transcriptions, and recordings
- Integrate your favorite third-party tools using Classroom add-ons*
- Transform new and existing teaching content into interactive assignments using practice sets in Classroom*
- Get unlimited originality reports¹ and scan a private repository of student classwork

Storage

Same storage as Education Fundamentals, plus 100 GB added to the shared pool for each license

\$4 / license / month

Choose how many licenses you need for meeting hosts and instructors

Education Plus

Education Plus is the most powerful Google Workspace for Education edition. It includes all the enhanced security and analytics features and premium teaching and learning tools from Education Standard and the Teaching and Learning Upgrade – and more.

Highlights

- Connect with up to 500 participants or live stream with up to 100,000 viewers with Google Meet
- Reinforce concepts with writing and analysis assistance in Docs and Sheets
- Manage classes at scale by syncing Classroom rosters with your SIS
- Build custom apps with AppSheet Core – no coding required
- Make information more accessible and easy to find with your own Cloud Search
- Get priority support from a team of education specialists

Storage

Same storage as Education Fundamentals, plus 20 GB added to the shared pool for each license

\$5 / student / year

For every four student licenses, get one staff license at no additional charge
